	:	<u>ORDER</u>

JED S. RAKOFF, U.S.D.J.

This will confirm in writing the orders orally issued by the Court during a joint telephone conference earlier today:

- (1) All discovery of any kind whatsoever - including document production, requests to admit, interrogatories, fact depositions, expert disclosures, and expert depositions - must be completed by December 31, 2019. Absolutely no further extensions will be granted and no request for any further extension will be permitted.
- (2) Any first request for production of documents by any party that has not already served such a request must be served by 6:00 PM on August 7, 2019. Any party failing to make such a first request will be precluded from making any later document requests.
- (3) No deposition witness shall be deposed more than once regardless of how many parties notice the deposition of that witness.

Additionally, because of the foregoing extensions of all discovery, post-discovery summary judgment papers must now be filed on the following schedule: (a) moving papers on January 24, 2020; (b) answering papers on February 14, 2020; and (c) reply papers on February 21, 2020. A final pre-trial conference, as well as oral argument on any post-discovery summary judgment motions, shall be held at 4:00 PM on March 6, 2020.

SO ORDERED.
